Wooly Mammoth Design recognized for prestigious web design award

Wooly Mammoth Design Wins at the Annual Web Excellence Awards Competition

Basel, Switzerland – Sep 12, 2022 - The Web Excellence Awards, a leading international interactive web awards competition, has announced the 2022 award winners to highlight this year's "best of the best" in web design and development.

Wooly Mammoth Design was recognized for their excellence with the excellence award in the category "Website - Performing Arts" for "Website Redesign and Development for Literary Speakers Agency" for their work designing and building the Blue Flower Arts website blueflowerarts.com.

In this high-tech digital world, the role of creative artists has become central to every domain. Be it developing a website or mobile app, working on social media campaigns, or producing videos, the role played by these creators cannot be underestimated. Their dedication and creativity are laudable from designers to creators, freelancers, creative agencies, and entrepreneurs worldwide. With this idea in mind, the Web Excellence Awards brings one of the most prestigious competitions to promote excellence on the Web and applaud the incredible works of creative artists. Like every competition, the Web Excellence Awards is pleased to have received hundreds of entries from all across the world and is now announcing the winners.

The 7th Web Excellence Awards competition saw over 950 entries from 37 countries worldwide, including 42 US States and other countries such as Australia, Canada, the UK, Israel, New Zealand, Poland, India, Turkey, Germany, etc. The Web Excellence Awards winners are selected by marketing gurus, advertisers, communications specialists, and web experts. These experts base their evaluation on the innovation, creativity, implementation, and impacts of all the projects submitted.

The Web Excellence Awards primarily aim to acknowledge and promote creative ideas, business models, and innovative technologies on the Web. The Excellence Awards winners are chosen from six categories: website, advertising & marketing, video and podcast, apps & mobile, social media, and printing. Each category then further includes themes ranging from activism to health and beauty, fitness, sports, travel, and so on. These winners inspire millions to think out of the box through their work and innovative approach. Due to the constantly evolving nature of digital media and the emergence of distinguished artists, the task of choosing the winners has not only been challenging but also astounding.
